ABOUT OUR COMPANY

At Walker Group Nurse Staffing, we understand what it takes to assist with day-to-day staffing in the healthcare industry and at healthcare facilities. As we provide staffing assistance through RNs, LPNs, CNAs, PCAs, Med Techs, Med Aides, and Lactation Consultants our goal is to provide valuable support to facilities and deliver dependable & knowledgeable healthcare professionals on a supplemental, temporary, or contract basis to assist with staffing concerns related to absenteeism, illnesses, turnover, increased patient census, vacations, and holiday coverage.

CORE COMPETENCIES

- Cost Effective Services
- Staff Development
- Quality Assurance
- Service Focused

PAST PERFORMANCES

- Strategically staffed 17 healthcare facilities since 2020
- Provided over 140 dependable and knowledgeable staff to assist in healthcare facilities
- Supported facilities and offered service options to ensure a tailored staffing experience
- Served as an agency strategically focused on cost-effective solutions
- Assisted facilities new to contract and supplemental staffing transition successfully to utilizing an agency for staffing services

ADVANTAGES

- Owned and operated by a Registered Nurse, holding an MSN in Nursing Administration, with staffing and facility managerial experience
- Direct continuous communication between Walker Group and healthcare facility's leadership team
- One-on-one staff skills assessment review with Walker Group's Director of Nursing
- In-service & continual learning opportunities for Walker Group's staff
- Focus on the wellbeing of staff, resulting in increased quality of care for patients and families
- Provide a superior staffing experience for Walker Group's staff and facilities through daily interaction and high-quality customer service
